Modern bathroom renovation

Montclair, NJ

Luxury kitchen remodel

An open-plan remodel with espresso shaker cabinetry, a veined-stone center island, subway tile backsplash, and wide oak floors.

A freestanding soaking tub and brass fixtures paired with a glass walk-in shower set against a green herringbone tile wall.

Basement

Westchester, NY

Finished basement retreat

A bright lower-level living space with built-in shelving, an open staircase with iron balusters, and durable tile floors.

Outdoor

Summit, NJ

Outdoor patio transformation

A paver patio with a round stacked-stone fire pit and a full outdoor kitchen with a built-in stainless grill, framed by mature trees.
